## SECTION B: 50 MARKS

Question 51 to 55 carry ten marks each.

51. Read the sentence below and then answer, in full sentence, the question that follow.

The ministry of health has built health centres in our communities. They are basically put in place to provide health service to the people. They provide medical care and counseling service. They have doctors and nurses to handle patients.

In the health centres, people are advised and encouraged to eat food that do not have harmful substances. They provide drugs to patients and pregnant mothers. AIDS victims are given free treatment by the government through the health worker.

To be free from some diseases, people should avoid disease vectors like rats, mosquitoes, fleas and other. These disease vectors spread malaria, cholera, typhoid and dysentery. In order control the diseases, many measures should be taken into consideration. Such measures include; slashing the bushes around homesteads, using clean water, washing our bodies, spraying with insecticide and removing stagnant water around homesteads.

We pray for peace  
Peace in homes, schools  
Peace for the whole world  
Without peace there is fear

We are tired of social problem;  
Child sacrifices, robberies, killings  
We are not animals.  
To be slaughtered.

We need protection  
From all forms crimes  
For, with love and care,  
Our community will shine.

Turnover

We thank the army and the police  
For controlling crime in the community  
Allowing us to enjoy ourselves.
